

Filipino American Senior Health Assessment

The Filipino American Community Health Initiative of Chicago (FACHIC) is conducting the **Filipino American Senior Health Assessment (FASHA)** to understand the health needs and assets in the Filipino American senior community in the Chicago area to help implement health and social service programs and services.

The Filipino American Senior Health Assessment is interviewing Filipino and Filipino Americans age 60 years old or higher that live in the Chicago land area. Each interview takes approximately 30 to 40 minutes and is completely free.

The Filipino American Senior Health Assessment is being led by Carmela Estrada Bondad, MPH and Jane Jih, MD, MPH.

For more information, please contact FACHIC at 312-962-7748 or fasha@fachic.org.
